Montgomery County Civic Federation position on Bill 23-12, Open Government

The MCCF supports the adoption of the County Council Bill 23-12, which mandates that County agencies begin publishing data sets containing information that they either collect or generate as part of their normal duties. MCCF also recommends the creation of an Open Government Data Quality/Utility Advisory Committee that would be charged with providing the County with guidance on data improvement, mechanisms for promoting use of this information and priorities for advancing Open Government through increasing public access to government data sets.
